Please  
Thankfully  
it's safe!  
But we lost  
all the hostages.  
Damn it.

It is someone that  
I should get to show  
much blood, but it's  
time to fall back.

We've already  
photograph about  
half of what we were  
looking for anyway.

Oh right, we  
have that thing  
left as well.

This is a collection  
of all the corrupted  
minds concentrated  
into a single body.

That human turned  
into a monster?

to survive this...

I promise to  
meet you again.

E M NGA!

My old friends  
time will be up  
soon...

This isn't  
good.

I understand  
I'll report it to him  
accordingly.

Also, about  
this situation...

LONE MANGA!

I didn't like the story  
about the Abeney.

but it is a good  
thing there were hardly  
any casualties.
